

HELPING COMMUNITIES HAVE DIFFICULT CONVERSATIONS

Community Follow-Up Planner

KEEP THE CONVERSATION GOING

The event is the beginning—not the end.

Follow-up

Who will do it?

When?

1. Thank speakers and community partners
2. Send attendees helpful resources
3. Share contact information for local services
4. Thank volunteers and supporters
5. Review attendee feedback
6. Identify topics people want to explore further
7. Consider the next community conversation

**One conversation can change everything.
What happens next is up to the community.**
